FOR RENT.

THE LOCKHART PLANTATION, NEAR Sunflower Landing, Coahoma county, Mischselppt, will be rented for the year 1870, at five dollars per acre. There are four hundred acres of cleared land, much of it high and of superior quality, with a new ginhouse, two iron-tubed wells with pumps, and sufficient hewed-log tenements to accommodate a family and the laborers.

A good tenant can have the privilege of paying one-half the first year's rent with repairs and improvements, such as may be accomplished with field hands, and of continuing his contract for several years.

Apply to the subscriber at Sunflower Landing.

The New York Journal of Commerce has load is evident, and they are looking the following remarks on the subject of southward for a market. A correspondstamps on receipts, and whose duty it is ent of the St. Louis Dispatch, writing to affix them-a question which hitherto from Chicago, says in reference to Milhas not been authoritatively sattled:

has not been authoritatively sattled:

If the stamp tax on receipts is to be continued some further legal provision should be made in reference to it. In England the receiver of any sum of money above a grauli given amount is obliged to return, on demand of the payer, a stamped receipt noder a heavy psenalty to be enforced on convplaint to the nearest magistrate. Under our laws there is no provision for this, and no receiver of money can be compelled to give a receipt if he is not willing. He may say to the payer of the money: "I will give a receipt if you furnish a stamp," and if the latter recipe, he may decline to write any acknowledgment. When the stamp was imposed we There can be no doubt that, as this cir-cular states, that "Chicago mants to un-tons," she is carrying a heavy stock at high prices, and how to get rid of it is the question. Up to date she has packed about 280,000 head of hogs, and of this large number perhaps not one-fourth has been chipped or gone into consumstion: ment. When the stamp was imposed we called attention to this, and the Depart ment being written to and urged to order at least, that if any one did sign a receip The receipt of hogs, sheep, cattle, "c., as published in the Thees of this date, foots up as follows: he should be responsible for the stamp the Commissioner answered evasively, and the question was never settled. Our articles, however, established a public opinion which made it obligatory on every dealer receiving money on his own account MOVEMENT OF CATTLE, HOOS AND SHEEP to give a stamped receipt; but left it open for him to exact a stamp if the

money was only passing through his bands and be had no interest in the pay-

We are now enjoying a short interval of freedom from financial excitement. The books for the past year have been posted, and transactions that are to be entered in the new ledgers have scarcely begun to come in. Congress will not be in session to the new ledgers have scarcely begun to come in. Congress will not be in session to the new ledgers have scarcely begun to come in. Congress will not be in session to the interval of long packed will exceed that of last year, say up to February I.

It is estimated that 33,000 bbls short the results of the process of last year, while hope and they have for landing at method the process of last year, while hope and they have for landing at method they process of last year, while hope and they have for landing at method they process of last year, while hope and they have for landing at method they process of last year, while hope and they have for landing at method they process of last year, and without charge for landing at method they process of last year, and without charge for landing at method to a last year, and without charge for landing at method to a last year, and without charge for landing at method they process of last year, and without charge for landing at method to a last year, and without charge for landing at method to a last year, and without charge for landing at method they process of last year, and without charge for landing at method to a last year.

It is estimated that 33,000 bbls short. for a week to come, and all agitations of the first schemes concocted by its members and to be passed by them, must be postponed until that time. The financial machinery for the time being is running.

He is trium has been received in New Orleans within the past sixty days. Has any been received here?

BAGGING—The demand is in a small machinery for the time being is running itself. The people are growing tired of discussing neasures which, like Diskens' "No Thoroughfare," begin nowhere, and very near the point of beginning, or to use a pyrotechnic simile, "go up like a rocket and come down like a stick." Such leisure moments are the reasons for reflection, and we suggest that they be emission, and we suggest that they be emission, and we suggest that they be emission. ployed in considering where we are drift-ing and at what rate of speed. Stripped of all the timed and show thrown around them to hoodwink the people, the great majority of the schemes brought forward by our public men will be found perfectly useless, if not hurtful, and are used by alithmans as bladders to keep their heads

Lime \$1 75@2. Hair, in 40 lb bales, \$2 75 to 3. Fire brick \$5 to 6. Building Brick above water and prevent them from sink-ing back into their native insignificance. Corners CORNMEAL-The demand is generally in They are mere temporary expedients, whereas what we want is a permanent a light jobbing way, and is supplied at \$4 75, delivered; single bbls from store, \$5. solicy based upon great principles. Again we say to the people, watch and think. COFFEE-There is no change in prices The New York Herald of a late date and demand active. Rio, 19@24c. says in reference to Boutwell's exhibit of Corron Yarns-No. 400, 22c; 500, 20c; 6'ya 18a: 700, 16c. CHEESE-E.D. 19c. Factory 19c. W. R.

Secretary Bontwell has promptly issued this statement of the debt of the United States of the 1st of January, 1870. His exhibit makes a decrease during the month ton or of December 2000co.ong to \$4,812,781, and since March 1, 1859, of \$76,746,396. This is a very pleasing result; but why does the at 1 to 4c per pound, honorable Secretary Ignore the bonds honorable Secretary Ignore the bonds issued to the Pacific Railroad Company? In every statement of his prodecessor they were regularly incorporated as part of the debt. The government pays interest on them as it does upon other classifications of indebtedness, and we see no reason or their omission. The total of these from ruling rates. Super, \$4 50655 00; X, bonds so far issued is \$64,135,236. Another \$5 25(85 80; XX, \$6 75(86 25; XXX and variation Mr. Boutwell makes (for which Fancy, \$6 75(98 00. month. This amounted on January I to \$50,463,490. This will account for the difference exhibited between the regular monthly statements made up in this office for some years past and those made by Secretary Boutwell. We go on as usual and class the bonds issued to the Pacific

Railroad Company as part of the debt of the country. According to the Hero's ex-hibit, which does not add accorded interest, the decrease in the public, debt last month was \$19,818,579, and since January report for the six months ending the list | case for quarters; \$32434 for halves.

December, 1809; The surregate of certificates of de-posit reserved at the office of Infor-nal Revenue from July 1 to Docem-ber 3), 1885, was tevenue from July 1 to Docem-1, 1988, was with a moderate demand. S. C. TOOF, HAIR RESTORATIVE. A NEW DISCOVERY!!

PHALON'S Salvation for the Hair. CLEAR AS WATER!

SEDIMENT !! WITHO OPEN TO THE LIGHT !!! For Restoring to Gran Hair its Original Color. PHALON'S "VITALL differs utterly from all the hair coloring preparations heretofore used. It is limind, sweet smelling, precipitates no muddy or slimy matter, requires no shaking, imparts no stain to the skin. Hold it to the light and it is clear and

cloudess. It leaves no mark on the scare; yet it reproduces in gray han the natural color that time or sickness may have bleached out of it Phalon's Vitalia is for one sole purpose, that of reproducing, with absolute certainty, the natural solor of the hair. It is not intended as a daily dressing norforremoving scurf or andruff; nor for cu-

ring baliness; nor for stimulating the growth of the hair .-These objects may be accomplished after the color has been fixed with the Vitalia, by Phalon's Chemical Hair Invigo-THE VITALIA a harmless and unequaled preparation for the reproduction of the original hue of gray hair, and noth-

ing else. This is accomplished

in from two toten applications, according to the opth of shade required. Solveyall druggists. Cotton Land for Sale.
